# Custom Quotes

We like to have a chance to talk to couples to get to know them, and the vision for their wedding through a consultation. This can be done either on the phone, through a video call or in person. After we go through that process we will then put together a customized quote.

The prices/costs listed in this document are meant to give you an idea of average costs/starting costs for typical wedding items (but like we said every thing is customized so if you have a unique idea for a centrepiece let us know, we love new ideas!) This often helps couples have a jumping off point as they start to build their budgets, and find out if the work and services we offer are right for them!

If you would like to book a consultation please email [nicola@nicolaadamfloral](mailto:nicola@nicolaadamfloral)
